### **MultiCare Good Samaritan Reaches Out at South Hill Mall**

As part of its ongoing commitment to the community, MultiCare Good Samaritan Hospital is proud to unveil its new health kiosk at South Hill Mall. This is a new and improved version of the health kiosk MultiCare Good Samaritan has operated at the Puyallup, WA mall for more than ten years. The kiosk, located in the Old Country Buffet court, offers more privacy to patients. It will be used to provide a wide variety of health services such as childhood vaccinations, flu shots, blood pressure screening and additional expanded services.

The new MultiCare Good Samaritan kiosk will be open to provide services to mall customers beginning Saturday, May 16 from 10am-4pm. For a full schedule of services at the health kiosk, visit [multicare.org](http://multicare.org) and search for mobile health.

The kiosk is located in close proximity to the MultiCare Good Samaritan Play Park, which opened in November, 2008. The Play Park provides a fun, stimulating venue for young children and a popular respite for their busy parents.

MultiCare is a leading-edge, connected organization made up of four hospitals including Allenmore Hospital, Good Samaritan Hospital, Mary Bridge Children's Hospital and Tacoma General Hospital, numerous primary care and urgent care clinics, multi-specialty centers, Hospice and Home Health services, and many other services.
